

5-19-82

Spoke w/ Bill McCabe + asked  
that he call inventors Dobbs +  
Fischer directly if questions on comments.  
Then to converse w/ Anthony Smith on  
freign cls. Very important to set  
up claims <sup>well</sup> because we're likely to  
be challenged by Competitors  
abroad (if we get  
strongest cls  
on file)
